THE DELEGATES—WHO WILL ATTEND

In the past the RANZCO Queensland Branch Scientific Meeting has attracted over 280 delegates. The Meeting Organising Committee is confident of a similar attendance in 2019. The Sheraton Grand Mirage Resort is a venue well known to Queensland Fellows and regular meeting attendees. It is expected that the meeting will target mainly RANZCO Fellows, including those from other states.

WHY YOU SHOULD BE INVOLVED

The RANZCO Queensland Branch Scientific Meeting will provide a platform for interaction with ophthalmologists and researchers and will enable you to keep them informed of the latest product advancements and industry trends. Together with a national and international based scientific program, excellent venue and facilities, the meeting will provide a valuable environment for networking with delegates and key decision makers and you will have access to all of the delegates throughout the course of the conference with opportunities to network outside of the conference sessions and ticketed functions.

THE PROGRAM—WHAT WILL BE COVERED

We have been fortunate again to secure renowned international speakers, who this year include, Professor Tin Aung, Professor Helen Danesh–Meyer and Professor Peter Shah. They will be joined by our national invited speakers Professor Ivan Goldberg and Professor Bob Casson. In addition, there will be significant contributions from our local subspecialists.

A comprehensive preliminary program including segments on patients in perspective and imaging, medical management and surgical management has been proposed. The Great Debate will be returning for another year, as will a session of challenging cases to be discussed.

The meeting will offer ample time for interactive discussions, presenting interesting case discussions and formal topic debate as well as being a great opportunity for Fellows and associates to network. In response to feedback we have increased the opportunities for industry interaction with delegates. There will no longer be an official conference dinner or welcome reception and instead additional educational events and networking opportunities have been opened up on Friday and Saturday to interact with delegates.

Helen Danesh-Meyer is The Sir William and Lady Stevenson Professor of Ophthalmology and Head of the Optic Nerve and Glaucoma Research Unit of the New Zealand National Eye Centre (NZ-NEC) at the University of Auckland. She has been a member of the academic faculty in the Department of Ophthalmology since 2000. She attended the University of Otago Medical School graduating in 1991. Helen undertook fellowship training in glaucoma and neuro-ophthalmology at Wills Eye Hospital in Philadelphia. She completed her doctoral thesis (MD) in 2004 on giant cell arteritis and her PhD in 2010.

Helen is a clinician-scientist who divides her professional activities almost equally between patient care activities and research. She has published more than 150 articles (excluding abstracts), in peer-reviewed scientific papers. Helen has served as Chair of the Scientific Program Committee for RANZCO served as a RACE examiner and is extensively involved in international collaborative research and teaching including being involved in curricula development for the American Academy of Ophthalmology and RANZCO. She has been on the Editorial Board of Ophthalmology, Journal of Clinical Neuroscience and Clinical & Experimental Ophthalmology, and six other journals. She is Immediate Past President of the World Glaucoma Association and also serves as a Board member of the Asia-Pacific Glaucoma Society and is Vice President of the Asian Angle Closure Glaucoma Club.

Professor Peter Shah is a Supra-regional Glaucoma Specialist at University Hospitals Birmingham (UHB), visiting Professor at University College London and an Honorary Professor of Glaucoma at the Centre for Health & Social Care Improvement (University of Wolverhampton). He has co-authored five textbooks (including the ‘ABC of Eyes’) and authored over 125 peer-reviewed publications. Pete has long-term interests in patient safety, surgical outcomes, simulation, patient involvement and the influence of ethnicity and deprivation in glaucoma care.

Pete is Past-President of the British Ophthalmic Anaesthesia Society, Past-Secretary of the Oxford Ophthalmological Congress and a previous member of the Education Committee of the Royal College of Ophthalmologists. He is the Co-Director of the Birmingham Institute for Glaucoma Research in the Institute of Translational Medicine at UHB.

Pete is passionately committed to mentoring – training over 35 national / international glaucoma fellows. He works with a charitable team supporting surgeons through “Sight for East Africa” and is Co-Investigator on KiGIP – the Kilimanjaro Glaucoma Intervention Program – a randomised controlled clinical trial in Tanzania. Pete is the founder of the “Consultant Survival Skills” courses.

Professor Shah has previously worked as a patron for “Speight of the Art” and the Jaffray Care Society for adults with learning difficulties. He also supports “Sight for East Africa” and “Sight for All”.

Having obtained his MBBS from the National University of Singapore, Professor Aung obtained the Fellowships of the Royal College of Surgeons of Edinburgh and the Royal College of Ophthalmologists in 1997. He completed a glaucoma fellowship in the Singapore National Eye Centre from 1999-2000 and, from 2000-2003, he trained at the Institute of Ophthalmology, University College London and Moorfields Eye Hospital. He was awarded a PhD in Molecular Genetics from University College London in 2004.

Professor Aung is a clinician scientist, with clinical practice focusing on glaucoma and research interests in angle closure glaucoma and glaucoma genetics. With >500 publications, Professor Aung has been awarded >US$20 million in competitive research grant funding. He has received numerous awards including the Singapore Translational Research (STaR) Investigator Award in 2014, the Singapore National Medical Research Council- Clinician Scientist Awards in 2005 and 2008, the President’s Science Award in 2009, the Nakajima (2007) and De Campo (2013) Awards from the Asia Pacific Academy of Ophthalmology, the Alcon Research Institute Award in 2013 and the Robert Ritch Award for Excellence and Innovation in Glaucoma from the Glaucoma Foundation in 2017.

Professor Aung is a member of the editorial boards of the following journals: Ophthalmology, Eye, Journal of Glaucoma, Progress in Retinal and Eye Research, Graefes Archive for Clinical and Experimental Ophthalmology, and six other journals. He is Immediate Past President of the World Glaucoma Association and also serves as a Board member of the Asia-Pacific Glaucoma Society and is Vice President of the Asian Angle Closure Glaucoma Club.

Professor Ivan Goldberg is Head of the Glaucoma Unit; Sydney Eye Hospital; Clinical Professor, University of Sydney; Director of Eye Associates; and Life Governor of Glaucoma Australia.

Ivan is Past President of the Asia Pacific Glaucoma Society, of Glaucoma Australia, of the World Glaucoma Association, of the Australian and New Zealand Glaucoma Society, and of the Royal Australian and New Zealand College of Ophthalmologists. He chaired both first and second editions of the Asia Pacific Glaucoma Guidelines. Ivan’s efforts have been recognised by the Order of Australia Award in 2011, as International Scholar of the American Glaucoma Society and the Glaucoma Foundation of New York’s Robert Ritch Award for Excellence and Innovation in Glaucoma (both in 2013), the International Award of the University of Sao Paulo in 2011, the Bartisch Medal of the University of Dresden in 2014 and honorary memberships of both the Philippine and South African Glaucoma Societies. He has been a visiting professor in many countries, including the Philippines, Israel, India, the USA, Germany, Britain, New Zealand and Brazil as well as all Australian states.

Ivan trained with Fred Hollows, University of New South Wales and then Bernard Becker and Michael Kass, Washington School of Medicine, St Louis, Missouri. He works, teaches and researches clinically and mentors younger colleagues. His interests in particular are on patient-centred care, including adherence and enhanced drug delivery.

Ivan has published over 190 peer-reviewed papers, 30 editorials, 30 book chapters, 45 posters and 75 informal publications. He has also co-authored two books for patients Glaucoma: How to Save Your Sight and Fighting Glaucoma: An Action Handbook.

Professor Casson is the Head of Discipline of Ophthalmology and Visual Science at Adelaide University. He is a glaucoma subspecialist with research interests in clinical glaucoma, neuroprotection, ophthalmic epidemiology and translational ophthalmic research. He graduated from Adelaide Medical School in 1992 and undertook ophthalmology training in South Australia. He completed subspecialty training in glaucoma at the Oxford Eye Hospital. Following the completion of clinical training, he undertook a neuroprotection-based Doctor of Philosophy (DPhil) at Oxford University in the Nuffield Laboratory of Ophthalmology. In 2012 he completed a Masters of Biostatistics at Adelaide University.

He currently works in private practice and is the Director of the Glaucoma Service at the Royal Adelaide Hospital. He is the Director of the Ophthalmic Research Laboratories in the newly established Adelaide Health and Medical Sciences School and Vice-Chair of the developing world-based charity Sights for All. He has approximately 200 peer-reviewed publications and is the Co-Editor in Chief of the College journal, Clinical & Experimental Ophthalmology.

He has a life-long love of science which he aims to combine with his passion for ophthalmology to produce better outcomes for patients.

Sponsor & Exhibitor Notes
You may not assign, share, sub-let or grant licences for the whole or part of the booth without our prior approval. We reserve the right to ask you to remove any display items we deem as unacceptable. You must conduct business only from within the confines of your booth. You may not tout or place any material or furniture outside your boothspace. You will be responsible for any reasonable costs of repairing the booth or premises should you paint, mark or damage any fixtures or fabric. Food, beverage or prohibited items are not permitted at the event unless prior arrangements are made with us. Any supplier you use on site must conform to the venue’s OH&S policies, insurance and other regulations.

Things you need to know
The following terms and conditions apply to your application to sponsor and/or exhibit at the 2019 conference. Returning a completed signed and dated application confirms your acceptance of these terms and conditions. We do not accept responsibility for any errors, omissions or changes. Details may change without notice. Please refer to the conference website for the latest information. www.qranzco2019.com.

You and your staff—onsite
Your application to sponsor or exhibit does not constitute an attendee registration. You will need to do that separately on the relevant form in the exhibitors’ guidelines provided after confirmation of booking. All exhibition staff must be registered using the relevant form i.e. complimentary exhibitor registration, or by purchasing additional exhibitor staff registrations.

TGA Compliance
Exhibitors must not display, promote, sell or distribute products or medications that have not been approved for registration in Australia by the Therapeutic Goods Administration (TGA). The Meeting Organisers reserve the right to remove your exhibit and personnel from the meeting in this instance. All exhibitors and sponsors must be able to provide proof of TGA compliance upon request.

MTAA Codes of Practice
Exhibitors must observe the requirements and Codes of Practice of the Medical Technology Association of Australia (MTAA) available at www.mttaa.org.au. RANZCO endorses these Codes of Practice and urges sponsors and exhibitors to understand and adhere to the Codes in respect of their relations with RANZCO. This extends to sponsors or exhibitors who are not members of the MTAA. RANZCO expects non-member sponsors or exhibitors to familiarise themselves with the requirements of the Codes and align their activities in accordance with the Codes.

Medicines Australia Code of Conduct
Once booking has been processed you will be sent an Exhibition Kit which will contain registration & accommodation booking forms (for your individual staff, including additional staff). It will also give you information regarding bump-in and bump-out, exhibition contractor, ceiling heights etc.
